You won't find 'one size fits all' here

When it comes to your care, we embrace what makes you uniquely you – your likes, your habits, your culture and your hobbies – and welcome you exactly as you are.

By taking the time to develop a close relationship with you, we give you the power to shape your own life and create your 'normal' – so you feel safe, comfortable and at home.

We honour your desire to express who you are, and make your own decisions about the support you receive and how you contribute to your community. It's an approach we call Inspiring Life.

Live your best life

Our leisure and wellness programs are designed around you. We take the time to understand your interests and preferences, so we can develop a program that promotes your health and wellbeing. Your activities may be planned or spontaneous, solo or with a group, or even led by you if that's your wish. It's another way we support you to live a meaningful and happy life.

Your home, your community

This is your home, and we want you to share it with your friends and family at any time of the day or night. That's why Uniting Locke Haven has dedicated areas designed for entertaining, including child-friendly gardens, an on-site cafe, and welcoming courtyards and communal areas. We're steps away from Petersham's lively cafes, restaurants and shops. And our excellent public transport links make getting to and from our home a breeze.

Caring for your mind, body and spirit

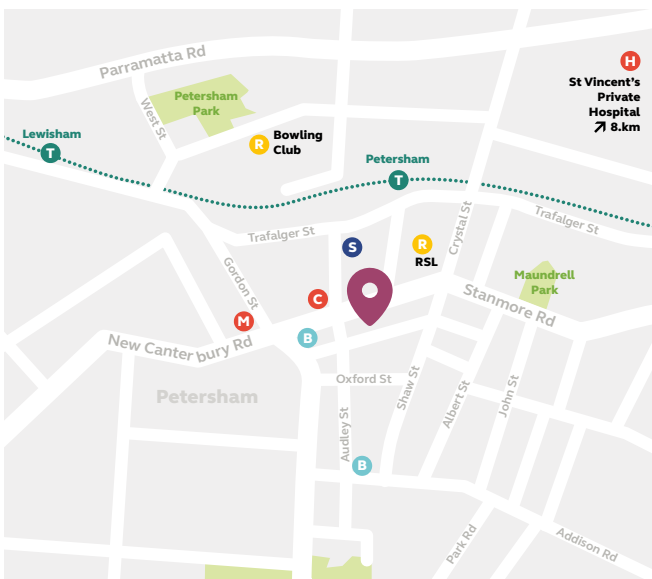

You'll have access to regular visits from our local health practitioners, including physiotherapists, dietitians, podiatrists and GPs. If you're seeking a shoulder to lean on, comfort in grief, or the chance to explore your spiritual side, our pastoral care and church services are here to help – and you don't have to identify as a person of faith to benefit. We welcome the cultural contribution your personal beliefs and heritage bring to our home.
